

AWPGA Sanctioned Field Event Application

Anyone wishing to hold an AWPGA sanctioned field event, will complete this application for Field Committee and Executive Committee consideration. This is to ensure proper insurance coverage for the planned event. Incomplete applications will be returned without consideration.

Any member in good standing may apply for a sanctioned field event. Applications should be received by the Field Committee a minimum of three months prior to the event.

Applicant's Name:

Contact Information:

Type of Event:

Event Start

Event End

Location:

Event Committee:

Have you considered the following items?

Each application must also be accompanied by an event budget. Event must be as close to net \$0 as possible. Failure to meet this requirement may prevent holding a future event.

Does the location require any type of license or application with the State Wildlife Department?

If some sort of training seminar, what are you planning to do/what level of training? Please provide synopsis below.

Event Synopsis:

Please forward completed application and budget to the AWPGA Field Committee Chairperson

Upon completion of the event, an event report is required for potential publishing in the Griffonnier. The report should also have accompanying photographs of the event and participants. The pre-event budget shall also be completed to show actual event income and expenses. Event should be as close to net \$0 as possible. If event is financially negative, reimbursement may not be provided.
